

### Image Correction to Disc

All of our *Full Service* Prints and Products include color-correction, but if you do not want your images printed and only want them color-corrected and put onto a disc, we can do that too! Our trained lab technicians will adjust your JPEG or RAW file images for color, brightness, density and contrast, giving you the freedom to focus on your shooting, instead of having to worry about the editing process.

Service	Price Per Image	Disc Archive
Image Correction (JPEG)	\$0.15	\$8.95
Image Correction (RAW)	\$1.00	\$8.95

*Feel free to print confidently from your Image Correction Disc!*

*Standard DVD Case w/ Cover Wrap and Printed Disc.*

### Disc Archiving

Do you need to transfer your images from your Compact Flash, Memory Stick, or USB to Disc? Or do you have a CD or DVD that you want to make one or multiple copies of? Our Digital Media to Disc Archive Service is for just that!

Print Size	1 to 4	5 to 19	20 to 49	50 to 99	100 to 249	250 to 499	500 to 9999
Digital Media to Disc Archive Service	\$8.95	\$6.49	\$4.95	\$3.25	\$2.75	\$2.25	\$1.75

### Printed Disc Options

Printed full color and completely customizable, our discs have a matte surface finish and display superior color and image quality. You'll never wonder again what your disc contains if you add a title and image to your discs.

Would you like us to custom design your Printed Disc? Our design staff has designed Printed Discs for music artists and photography companies alike. Contact one of our designers today!
